We, the Annual Staff of THE MC KELL are proud to present the 1957 edition. We hope the color picture is to your liking. This is another progressive step that we have taken in this years annual. Another progressive step that has been taken in our school system is the construction of nine modern elementary school buildings, to be ready for occupation by September 1957. It is on this note that we build our annual.

The Contract

We, the Senior Class of 1956-57, dedicate this annual to the people who we know have helped us obtain our first step up the ladder of life. We realize that it was their faith, understanding, guidance, and love, applied with daily patience, that brought us to our present goal. In deepest appreciation we dedicate this annual to our PARENTS.

I thank God that He granted my stay here
To count the many songs in winds that blow
When April's spring returns again this year
I'll walk with Him where rivers rise and flow . . .
Not any man will ever love life more . . .
Back to my valley for the blooming spring,
Back to my garden and the wild bird's song,
To shadow, sun and multicolored wing,
The land, God must believe, where I belong.

SAFEGUARD OUR FUTURE

by

Protecting Our Children

We consider it a public service to remind you that once again street crossings and highways become the pathway to learning and play for the children of this community. Protecting them is one of our major lines of our defense. Let us all remember to DRIVE CAREFULLY and think of our children first.
